

GOOD \$ENSE

Freed Up Financially

Do You Want
to experience

hope,
freedom, joy
& grace

in your
financial life?

Money is a powerful thing!

If we allow it, money will determine who we are, where we live, who our friends are and much more. Our culture has trained us to live by some financial myths:

- *a little more money will solve all of my problems*
- *debt is expected and unavoidable*
- *money brings happiness*

“Since attending Good \$ense, we have been able to pay off the majority of our debts, use our credit cards wisely, establish an emergency fund and significantly increase our giving to the Lord.”

—Bethel Attendee

If you want to experience hope, freedom, joy and grace in your financial life, the **Good \$ense Freed Up Financially** courses are a great place to start. These courses will help you identify those barriers that keep you from experiencing God’s peace and freedom in this area. We will also help you begin to put together a budget plan that is effective in reducing your debt while increasing your ability to meet the financial goals God has for you.

Bethel now offers three **Good \$ense Freed Up Financially** Courses:

Freed Up Financially Budget Course: The purpose of this course is to provide you with the ability to set up a workable personal budget. We will discover what the Bible tells us about money & possessions. We will discover that God can restore hope & peace in our financial lives when we commit to doing things His way. This course is usually offered on a Saturday from 9 am- 2 pm. The pre-work for this course can be found on our website or picked up when you register. The cost of the course is \$12 which covers the participants guide.

Freed Up From Debt: This is a two-session workshop that provides the necessary tools to get out & stay out of debt. Not only will we provide you with the how-to’s of debt reduction, but we will also take time to determine our heart motivations concerning money & debt through discovering what the Bible tells about debt. The pre-work for this workshop is provided in the participant’s guide which can be purchased when you register. The cost for the participants guide is \$8.

Freed Up Later In Life: This is a two-session workshop that will motivate you to begin planning for your future beyond retirement. The Bible does not say much about the concept of retirement, but does promote the wisdom of saving & planning. We can begin to lay the foundation for peace & stability in our financial lives through the decisions we make now. The cost for the participants guide is \$10.
